#### 2.1.2 Cancellations and Refunds

You will receive a renewal notice approximately 4 weeks in advance of your renewal date, informing you of your entitlement to cancel and of any changes to your auto renewal as well as the amount due. This will be sent to the email that we have in your membership profile. Any payment arrangements that have been made by auto renewal will continue unless you notify your bank/building society that you wish to cancel. Recurring payments can be cancelled from within the BMF membership platform.

If you wish to cancel your membership, you must inform us of your intention to cancel prior to the renewal date.

This can be done by logging into the membership platform at any point before the renewal date and cancelling.

If you are unable to log into the membership platform to cancel your membership, you must inform us of your intention to cancel a minimum of ten working days prior to the renewal date. This notice should be provided directly to us, in writing by letter or e-mail.

You will not be charged and there will be no refund due.

Once your membership has been renewed, it will still be possible to cancel your membership. No refunds will be provided unless the notice requirements are complied with.

If you subsequently make a late renewal payment, your renewal is effective from the date the payment was due and not the actual payment date.

#### 2.1.3 Change of Details

Members have direct access to the membership platform where personal details can be updated directly. The BMF will use these contact details to get in touch with you. If you are unable to access the platform and wish to update any of the personal details associated with your membership, then your request must be sent in writing by letter or e-mail.
